INDO INTERTEX – INATEX 2026 SHOWCASES GREATER SCALE AND BROADER INDUSTRY INNOVATIONS

Engage in a comprehensive four-day experience at Indo Intertext 2026, where industry professionals come together to explore innovation, sustainability, and technological excellence in the textile and garment industry.

Discover breakthrough developments in eco-friendly materials, automation, smart textiles, and production efficiency, presented by world-class exhibitors and partners, while gaining valuable insights into the latest industry trends and future market opportunities.

Connect, collaborate, and grow through meaningful networking, strategic partnerships, and knowledge-sharing sessions at Southeast Asia's premier textile and garment platform.

WHY / VISIT?

- **NETWORKING OPPORTUNITIES**, unlock exclusive networking opportunities with industry leaders through face-to-face meetings.
- **NEW LAUNCHES**, get an exclusive first look at innovative products launching soon.
- **INTERACTIVE PRODUCT SHOWCASE**, explore tailored product showcase and discover firsthand solution.
- **MARKET INSIGHT**, gain valuable market insights by networking industry peers and experts.
- **DISCOVER INDUSTRY INNOVATIONS**, unveil the latest advancements in textile and garment manufacturing.

PROGRAM HIGHLIGHTS

SEMINAR AND CONFERENCE

Featuring industry experts and prominent speakers, along with showcases by trusted brand owners and influencers sharing insights on the latest developments, innovations, and technologies in the textile industry.

BUILD YOUR BRAND

Special initiative empowering fashionpreneurs to build and grow their brands by connecting them with industry experts for personalized guidance.

TEX COLOUR TREND ZONE

An exclusive space showcasing colors inspired by global trends and Indonesia's rich cultural heritage, featuring a pre-laboratory focused on mapping unique Indonesian color trends rooted in cultural traditions since 2012.

SUSTAINABLE TEXTILE

Providing education and raising awareness among visitors regarding the proper handling of textile and garment waste to reduce its environmental impact.

LIVE SCREEN PRINTING

Providing visitors with a hands-on experience to see and feel the screen printing process from start to finish.

TRUNK SHOW

A fashion show that takes place along the gangways between exhibitor booths, using them as a runway, featuring designs by fashion design students from various leading fashion schools in Indonesia.

TEXMISSION

Interactive Mission Program, an engaging initiative tailored for visitors. Participants will navigate a series of predefined challenges, and those who complete all missions successfully will be honored with exclusive rewards as a gesture of appreciation.
